(Non-Accredited)

Duration : Half Day

Delivery Method
Face-to-Face / Virtual / Blended

FAMILY LAW SERIES – CRIME

OVERVIEW

This practical workshop provides participants with a basic understanding of crime, different types of criminal offences, and the importance of knowing how to respond when a crime occurs. Participants will learn how to be more aware of criminal activity, how to report a crime, what steps to take when someone close to them has been arrested or charged, and the basic rights of accused persons, including minors.

1. UNDERSTANDING WHAT CONSTITUTES A CRIME

- Defining what a crime is in simple and practical terms
- Understanding how criminal behaviour affects individuals, families, and communities
- Recognising the difference between unlawful behaviour and general conflict

2. DIFFERENT TYPES OF CRIMES

- Identifying various categories of crime
- Understanding examples of common crimes that may affect families and communities
- Recognising the seriousness and impact of different offences

3. AWARENESS AND PERSONAL SAFETY

- Learning how to be more aware of criminal behaviour and risk situations
- Understanding basic safety precautions in daily life
- Recognising warning signs and knowing when to seek help

4. REPORTING A CRIME

- Understanding the importance of reporting criminal activity
- Knowing the basic steps to follow when reporting a crime
- Identifying the relevant authorities or support structures to contact

5. SUPPORTING SOMEONE WHO HAS BEEN ARRESTED OR CHARGED

- Understanding what to do if someone close to you is arrested or charged
- Knowing how to remain calm and seek appropriate guidance
- Recognising the importance of following the correct legal process

6. RIGHTS OF ACCUSED PERSONS

- Understanding that accused persons have basic legal rights
- Recognising the rights of adults and minors who are accused of committing a crime
- Knowing when to seek professional legal assistance or support

KEY OUTCOMES

Participants will gain a basic understanding of what constitutes a crime, different types of crimes, how to improve personal awareness, how to report a crime, what to do when someone close to them has been arrested or charged, and the basic rights of accused persons, including minors.
